

62nd ANNUAL SASKATCHEWAN TEACHERS GOLF TOURNAMENT

Saturday, June 6th and 7th

Golf Kenosee – Kenosee Lake, SK

April 14th, 2026

Dear Golfers.

I hope this finds each of you well and looking forward to returning to this year's edition of the Teachers tournament. I look forward to serving as host and continue the tradition that has become a part of early June. With that, I am once again pleased to invite you to participate in this year's event.

We hope to attract more golfers this year. Golf Kenosee seems to be a perfect fit with the course, clubhouse management and accommodations fitting the bill for our group. We investigated other locations to a more central location in the province in order to attract players, however, there just does not seem to be a spot with all of the amenities and the price that would make it feasible.

In an effort to bolster the numbers, we again are encouraging you to seek out some like-minded (and ability) friends, golfing buddies and family members (no one under 19), who despite not being a teacher, would be interested in participating in an enjoyable weekend of golf and socializing. Any non-teachers who do register are eligible to win any of the great prizes, with the exception of the Championship and Senior trophy.

The tournament itself will be run the same as it always has; individual stroke play on both days which will see you compete in a flight of like golfers in term of skill set along with the Gib Eamer team event on Saturday. In the past, golfers were allowed to choose their foursome on Saturday and remain in those foursomes on Sunday. It seemed to work well the past few years and as such, will remain again for this year. The format is always up for discussion at the business meeting which will again be held on Sunday after the prizes and trophies have been awarded.

Those interested in attending may be looking for accommodation in Kenosee Lake. Those rooms and cabins, which are conveniently located a short distance from the golf course, are now available to book. There are other accommodations in Carlyle and Whitebear along with camping at Kenosee Lake.

We look forward to seeing you again this year at Kenosee Lake in June. Should you have any questions or concerns, please email me at Kelly.currie@secpsd.ca or call (306) 453-2393 (w) (306) 577-7339 (c)

Yours in Golf.

Kelly Currie
